Education

Jamia Hamdard University, New Delhi

Sep. 2018 – Sep. 2021

Bachelors in Computer Applications

CPI - 7.4

Experience

Hashtag Eyewears

Feb 2024 – Present

Web Developer

On-site

- Redesigned and optimized Shopify Product Detail Pages (PDP) and Collection Pages (PLP), increasing Conversion Rate (CRO) from **1.6% to 2.4%** through improved UI/UX, layout structure, and visual hierarchy.
- Improved Google Core Web Vitals by optimizing images, JavaScript execution, and Shopify theme structure, moving performance status from **Fail** to **Pass** across **LCP, CLS, and INP** metrics.
- Enhanced mobile-first user experience, increasing average mobile session duration from **10–20 seconds to approximately 2 minutes**, indicating higher user engagement and conversion intent.
- Optimized page load speed by reducing render-blocking resources, compressing assets, and refining Liquid templates, resulting in faster page rendering and improved SEO performance.
- Implemented responsive and accessible UI components to ensure seamless user experience across mobile, tablet, and desktop devices.
- Conducted UI testing, cross-browser testing, and functional testing to ensure bug-free releases and consistent storefront behavior.
- Collaborated with marketing and operations teams to align design and development changes with business goals, sales campaigns, and customer behavior insights.

Dcrayons Consultancy

Jan 2024 - Dec 2024

Web Developer Intern

New Delhi

- Utilized technical expertise in Shopify, WordPress, and Next.js for website development and design.
- Designed and implemented custom themes and plugins for WordPress websites, tailoring solutions to meet client specifications and enhance website functionality.

Software Study Center

Jul 2023 - Dec 2023

Computer Teacher cum Lab instructor

Giridhi, Jharkhand

- Facilitated engaging and comprehensive classes on HTML, CSS, and JavaScript, providing students with a solid foundation in front-end web development principles and techniques.
- Developed tailored curriculum and learning materials to cater to diverse student backgrounds and learning styles, ensuring effective understanding and application of programming concepts.

Nunc System Pvt Ltd

Feb 2023 - May 2023

Junior Software Engineer

Hyderabad, Telangana

- Contributed to the development and enhancement of mobile applications using React Native, leveraging cross-platform capabilities to ensure seamless performance across iOS and Android platforms.
- Collaborated with senior engineers to design and implement features for React Native applications, including user interface components, data management, and integration with backend services.

Technical Skills

Frontend: Html, Css, JavaScript, Bootstrap, Reactjs, Nextjs, TailwindCSS, React-Native, Shopify, WordPress

Backend: Nodejs, Firebase, Storyblok, Strapi

Database: MySQL, MongoDB

Developer Tools: VS Code, Postman, GitHub, Canva

Projects

Hashtag Eyewears Official Website | *Shopify, Liquid, HTML, CSS, JavaScript*

[Check here](#)

- Developed and customized a Shopify-based eCommerce website with a focus on performance, scalability, and conversion-driven UI/UX design.
- Designed and optimized Product Detail Pages (PDP) and Collection Pages (PLP) using Liquid templates, improving customer engagement and conversion rate optimization (CRO).
- Implemented responsive, mobile-first layouts and interactive components to enhance user experience across devices.
- Optimized page load speed, layout structure, and navigation flow, contributing to improved SEO and reduced bounce rate.
- Performed UI testing, cross-browser testing, and functional testing to ensure smooth and bug-free user journeys.

Dcrayons Offical Website | *Nextjs, Tailwindcss, Javascript, Reactjs, Storyblok*

[Check here](#)

- Developed a dynamic and responsive company website for Dcrayons using Nextjs, leveraging its server-side rendering capabilities to ensure fast performance and enhanced SEO.
- Implemented a modern and sleek design aesthetic with Tailwind CSS, facilitating rapid development and easy customization of styles to match Dcrayons' branding and visual identity.
- Integrated Storyblok CMS to empower content editors with an intuitive and user-friendly interface for managing website content, enabling seamless updates and additions without requiring technical expertise.

Real Estate Web Application | *Html, Tailwindcss, Javascript, Reactjs, Firebase*

[Check here](#)

- Developed a dynamic web application using ReactJS and Firebase, implementing CRUD operations with Firebase Firestore Database. Users can view listings based on whether they are for rent or sale.
- Implemented user authentication and authorization to enable registered users to sell/rent their properties and manage their profiles. Incorporated pagination and filtering options to optimize the browsing experience by using React Toastify
- Implemented a responsive, user-friendly frontend interface for a property marketplace, featuring recent offer viewing for users and property listing for sellers.

Sajja Kreations e-Commerce Platform | *Shopify*

[Check here](#)

- **Elegant Design Integration:** The website's sleek, sophisticated design perfectly embodies the luxury and craftsmanship of Sajja Kreations, creating an immersive and visually stunning shopping experience.
- **Intuitive User Experience:** An intuitive navigation structure and streamlined checkout process enhance user engagement and conversion rates, ensuring a seamless and enjoyable shopping journey.

Devsankalp Flexipack | *Shopify*

[Check here](#)

- **User-friendly interface** showcasing product range and company information
- **Responsive design** for seamless experience across devices
